# 1 Consultation

## 1.1 Basis for consultation

- 1.1.1 We are issuing this consultation in accordance with Article 8(3) of the Commission Law, under which we “may, in connection with the carrying out of its functions [...] consult and seek the advice of such persons or bodies whether inside or outside Jersey as it considers appropriate”.
- 1.1.2 In addition, Article 15(3) of the Commission Law requires that before we introduce and publish any fee:
- “[T]he Commission must first publish a report that must include
- (a) details of the duty or power for or in respect of which the fee is to be determined
  - (b) details of the proposed fee
  - (ba) details of the extent (if any) to which any penalties received have reduced the level of fee that would otherwise have been proposed
  - (c) a request for comments on the level of the proposed fee
  - (d) a date, that is at least 28 days after the publication of the report, before which those comments may be made to the Commission”.
- 1.1.3 Article 15(4) of the Commission Law provides that should the JFSC and a Representative Body be unable to agree a fee that the JFSC must request the Bailiff to appoint three Jurats to consider if the fee proposed is unreasonable.
- 1.1.4 We consider that the proposed fee rates are reasonable and that this consultation constitutes such a report as required by the Commission Law.

## 1.2 Who will be affected by the proposed changes?

- 1.2.1 These fee amendments will affect any person applying for, or already holding a permit to undertake insurance business.

## 1.3 Responding to the consultation

- 1.3.1 We invite comments, in writing, from interested parties on the content of this consultation.
- 1.3.2 Comments should be shared with either Jersey Finance Limited or us by 25 September 2022.

## 1.4 Next steps

Following this consultation, we will publish feedback and the final fees notices in September. Fees will be administered via businesses’ myJFSC portal accounts. Businesses will receive an email prompt to notify them that an invoice is awaiting payment.

## 2 The JFSC

### 2.1 Overview

- 2.1.1 We are a statutory body corporate established under the Commission Law. We are responsible for the supervision and development of financial services provided in or from within Jersey.
- 2.1.2 Article 15(2) of the Commission Law provides that fees set by the JFSC are to be retained and must, together with any other income:
  - 2.1.2.1 raise sufficient income to meet our liabilities
  - 2.1.2.2 cover our expenses
  - 2.1.2.3 provide a reserve for such amount as we consider necessary.

### 2.2 The JFSC's functions

- 2.2.1 Article 5 of the Commission Law prescribes that we are responsible for:
  - 2.2.1.1 the supervision and development of financial services provided in or from within Jersey
  - 2.2.1.2 providing the States of Jersey, any minister or any other public body with reports, advice, assistance and information in relation to any matter connected with financial services
  - 2.2.1.3 preparing and submitting to the minister recommendations for the introduction, amendment or replacement of legislation appertaining to financial services, companies and other forms of business structure
  - 2.2.1.4 such functions in relation to financial services or such incidental or ancillary matters:
    - › as are required or authorised by or under any enactment, or
    - › as the States may, by Regulations, transfer; and
  - 2.2.1.5 such other functions as are conferred on the JFSC by any other Law or enactment.

### 2.3 Guiding principles

- 2.3.1 Article 7 of the Commission Law provides that in exercising our functions, we may take into account any appropriate matter, but that we should consider:
  - 2.3.1.1 the reduction of the risk to the public of financial loss due to dishonesty, incompetence or malpractice by, or the financial unsoundness of, persons carrying on the business of financial services in or from within Jersey
  - 2.3.1.2 the protection and enhancement of the reputation and integrity of Jersey in commercial and financial matters
  - 2.3.1.3 the best economic interests of Jersey
  - 2.3.1.4 the need to counter financial crime in both Jersey and elsewhere

## 3 Proposals

### 3.1 Funding requirement

- 3.1.1 In order for us to obtain sufficient funding to carry out our supervisory objectives and to ensure our ongoing financial resilience, we need to raise £1.134m in fees from the insurance sector in 2022.

### 3.2 Regulatory fee proposals

- 3.2.1 The Commission Law contemplates increases to fees in line with RPI, which was recorded as 7.9% in June 2022. Although the cost of regulation continues to rise well in excess of this metric, our ongoing focus on cost control means that the inflationary component of the proposed fee increase can be limited to this amount.
- 3.2.2 An additional fee rate increase of 5% is dedicated to the stabilisation of our Financial Resilience as detailed in the Business Plan and Financial Resilience Review published earlier this year.
- 3.2.3 The combined effect of the above is that we propose a fee rate increase of 12.9% for 2022/23, comprising:
- 3.2.3.1 Jersey RPI of 7.9%
  - 3.2.3.2 a contribution towards our financial resilience objectives of 5%.
- 3.2.4 No Civil Financial Penalties have been levied on entities in the insurance sector, which would be applied to reduce these fees.
- 3.2.5 Draft fees notices reflecting the proposals can be found in Appendix B.
- 3.2.6 **Question: Do you agree with the proposed fee increase of 12.9%?**

### 3.3 Supervisory effort and cost reduction

- 3.3.1 We are closely monitoring and managing our costs and have carefully managed costs for our insurance sector supervision activities in recent years.
- 3.3.2 An important impact of our investment programmes over the last few year has been the focus on operational effectiveness & increased efficiency, both in the handling of data through our customer platforms and in the efficiency of our supervisory staff. One of the key benefits has been the ability to our limited cost increase, and further contribute to achieving value for money.
