1 Consultation

1.1 Basis for consultation

- 1.1.1 We are issuing this consultation paper in accordance with Article 8(3) of the Commission Law, under which the JFSC “*may, in connection with the carrying out of its functions [...] consult and seek the advice of such persons or bodies whether inside or outside Jersey as it considers appropriate*”.
- 1.1.2 In addition, Article 15(3) of the Commission Law, requires that before the JFSC introduce and publish any fee
- “[The JFSC] must first publish a report that must include:
- (a) details of the duty or power for or in respect of which the fee is to be determined;
 - (b) details of the proposed fee;
 - (ba) details of the extent (if any) to which any penalties received have reduced the level of fee that would otherwise have been proposed;
 - (c) a request for comments on the level of the proposed fee; and
 - (d) a date, that is at least 28 days after the publication of the report, before which those comments may be made to the Commission”.
- 1.1.3 Article 15(4) of the Commission Law provides that should the JFSC and a representative body be unable to agree a new fee or above RPI fee increase that we must request the Bailiff to appoint three Jurats to consider if the proposed fees are unreasonable.
- 1.1.4 The JFSC considers the representative bodies for the GIMB and MSB sectors to be those listed at Appendix A; that each of the proposals within this consultation is reasonable; and that this consultation constitutes such a report as required by the Commission Law.

1.2 Who will be affected by the proposed changes?

- 1.2.1 The amendments to fees will affect all persons registered under the Financial Services (Jersey) Law 1998 (**FSJL**) to conduct general insurance mediation business (**GIMB**) and/or money service business (**MSB**) and persons that are issued with a registration certificate for such business on or after 1 January 2024.

1.3 Responding to the consultation

- 1.3.1 We invite comments from interested parties on the content of this consultation, which should be received by either JFL or the JFSC no later than 15 December 2023.

1.4 Next steps

- 1.4.1 Following this consultation, we will publish feedback. The final fees notice will take effect on or before 1 January. Fees will be administered via businesses’ myJFSC accounts. Businesses will receive an email prompt to notify them that an invoice is awaiting payment.

2 The JFSC

2.1 Overview

- 2.1.1 We are a statutory body corporate established under the Commission Law. We are responsible for the supervision and development of financial services provided in or from within Jersey.
- 2.1.2 Article 15(2) of the Commission Law provides that fees set by us are to be retained and must, together with any other income:
 - 2.1.2.1 Raise sufficient income to meet our liabilities;
 - 2.1.2.2 Cover our expenses; and
 - 2.1.2.3 Provide a reserve for such amount as we consider necessary.

2.2 The JFSC's functions

- 2.2.1 Article 5 of the Commission Law prescribes that we are responsible for:
 - 2.2.1.1 The supervision and development of financial services provided in or from within Jersey
 - 2.2.1.2 Providing the Government of Jersey, any Minister for External Relations and Financial Services or any other public body with reports, advice, assistance, and information in relation to any matter connected with financial services
 - 2.2.1.3 Preparing and submitting to the Minister for External Relations and Financial Services recommendations for the introduction, amendment or replacement of legislation appertaining to financial services, companies, and other forms of business structure
 - 2.2.1.4 Such functions in relation to financial services or such incidental or ancillary matters:
 - › As are required or authorised by or under any enactment, or
 - › As the Government of Jersey may, by Regulations, transfer; and
 - 2.2.1.5 Such other functions as are conferred on the JFSC by any other Law or enactment.

2.3 Guiding principles

- 2.3.1 Article 7 of the Commission Law provides that in exercising our functions we may take into account any appropriate matter, but that we will have particular regard to:
 - 2.3.1.1 The reduction of the risk to the public of financial loss due to dishonesty, incompetence, or malpractice by, or the financial unsoundness of, persons carrying on the business of financial services in or from within Jersey
 - 2.3.1.2 The protection and enhancement of the reputation and integrity of Jersey in commercial and financial matters

- 2.3.1.3 The best economic interests of Jersey; and
- 2.3.1.4 The need to counter financial crime in both Jersey and elsewhere.

3 Proposals

3.1 Proposed fees

- 3.1.1 In order for us to obtain sufficient funding to carry out our supervisory objectives and to ensure our ongoing financial resilience, we need to raise approximately £230k in fees from the GIMB sector and approximately £32k from the MSB sector.

3.2 Regulatory fee proposals

- 3.2.1 The Commission Law contemplates increases to fees in line with RPI, which was recorded as 10.1% in September 2023. Although the cost of regulation continues to rise well in excess of this metric, our ongoing focus on cost control means that the proposed fee increase can be limited to this amount, below that proposed in the 2023 Business Plan of 2% above RPI.
- 3.2.2 No Civil financial penalties have been levied on entities in the GIMB or MSB sectors which would be applied to reduce these fees.
- 3.2.3 Draft fees notices reflecting the proposals can be found in Appendix B.
- 3.2.4 **Question: Do you agree with the proposed fee increase of RPI (10.1%)?**

3.3 Supervisory effort and cost reduction

- 3.3.1 We are monitoring and managing our costs to deliver efficient and effective supervision of the MSB and GIMB sectors.
- 3.3.2 The JFSC's supervisory approach is risk based and is focused on mitigation of financial crime risk in line with our top strategic priority. The JFSC is also responsible for the prudential and conduct supervision of regulated firms.
- 3.3.3 The JFSC has taken measures to improve its efficiency and agile working methods during 2023, such as broadening the supervisory toolkit to include sector-based assessments, continuing to improve the digitisation of processes and absorbing additional work contributing to the Moneyval assessment. The JFSC will continue to improve the efficiency of its operations during 2024.
